year as we lived it—

ALMA MATER

In the heart of old Decatur,
With its sky of blue,
Stands our noble Alma Mater,
Glorious to view.

Lift the chorus,
Speed it onward,
Loud her praises cry . . .
Hail, to thee,
Our Alma Mater,
Hail, Decatur High.

Walls of knowledge, hope, and courage
In tradition bound,
Reared against the arch of Heaven,
Looks she proudly down.

HIGHLIGHTS OF "OUR YEAR"

Girls' basketball team captures second place in state. "Aggie" Christberg and Nancy Duvall accept the trophy from a tournament official.

Need we say more? The class of '56 wins state night trophy for third consecutive year! K. Head and Ellen Phelps receive the trophy from Mr. Rentroe and Mrs. Folger.

Our lovely senior girls look even more lovely as they model their dresses in the Senior Fashion Show.

Nothing new here — but always exciting. "Amazing" Mrs. Keltz pounds bits of knowledge into senior heads.

Seniors jump with joy after capturing third stunt night trophy.

Many days have passed. These wonderful high school days are almost gone. We begin to look ahead as we talk with school representatives on College Day.

We Think She's Great!

To you who have contributed so greatly to the spirit of our school . . . to you who have been such an inspiration to us during your long years of service and who, through your music, have given so willingly of yourself to so many, we dedicate this the 1956 *Indecatur* to you — **Mrs. Cottie Clark.**

SENIOR CLASS WINS THIRD STUNT NIGHT TROPHY

Lady luck has followed this class through its high school career. For the third consecutive year the class has placed first in Stunt Night winning the coveted trophy . . . this year for the production "Make the Best of What You Are." The stunt was the result of many hard but fun-filled hours of work.

A great deal of talent was discovered among the boys when they presented the senior minstrel to a receptive audience.

As spring arrived the seniors stepped out in a colorful array of fashions, ranging from Bermuda shorts to formals. The girls and their escorts were "all dolled up" with somewhere to go for they were going to "Follow the Sun."

After the spring holidays came the last step of the seniors' career — the thrill and excitement of graduation which the seniors have so long awaited.

JUNIOR YEAR SPARKED BY DRAMATIC PRODUCTIONS

Our first year as upperclassmen was something of which we really felt proud, and we showed it too! The class as a whole enthusiastically entered into the myriad of sports, clubs, and other activities at D. H. S.; and we launched many of our own projects, such as our original skit, "Got a Match?" which won second place in the stunt night. For the first time in Junior Class history, we presented a Broadway play, "Goodbye, My Fancy," which was acclaimed by the entire student body as an excellent production.

A Freshman is subjected to many interesting experiences. Having this year has been an even different from anything we have known before. The activities, the courses, and the activities have proven exciting and challenging. Many sleepless nights were spent working on South North West, gave us a chance for some good stage experience. We always enjoyed the football games, basketball games and dances. High School has certainly proved to be all we expected and more.

SUB-FRESHMEN CLASS GETS FIRST GLIMPSE OF DECATUR HIGH

SUB FRESHMEN CLASS OFFICERS

VANCE TAYLOR *President*
JUDY WRIGHT *Vice President*
KEENA LAWSON *Secretary*
ANDREA ROBERTSON *Treasurer*

We saw our first glimpse of Decatur and its hospitality during the latter part of the summer when we were so graciously entertained by the Student Council.

The difficulty of learning our new surroundings was made easier with the aid of information directories which helped us find our way through the maze of halls and rooms.

As the strangeness wore off, we made new friends and entered into new activities. One of the events in which we participated was Stunt Night, and for the first time the sub-freshmen formed their own dramatic society, The Spot lighters.

Through the year we have become accustomed to high school life, and we are sure that the next years will hold even greater thrills.

HARD WORK + LONG HOURS + DASH OF FUN = INDECATUR

Lights burned late . . . hands and minds worked hard . . . and gradually, from the myriad of ideas, first thrown in the trash can and then fished out for "future reference" our *Indecatur* grew. The staff immediately set to work to gain experience. There were countless things to learn . . . how to make a lay-out, how to plan pictures, how to accept responsibility, how to raise money and many others.

In the fall came the first big undertaking, that of planning and taking pictures. It took quite a bit of organizing to take the more than eight hundred individual pictures and much bargaining with the elements so that we could get the club pictures scheduled for outside. Eventually we did finish, and we began putting the book together. Lay-outs were changed . . . then re-changed . . . pictures were cropped . . . copy was written.

John rewrote it all . . . and finally the book was sent to the printer. After it was gone and the business staff assured us that there was enough money to pay for it, we relaxed for the first time and so did Miss Norton and Miss Stewart, our advisors.

The climax of the year was Cross Night at which time all of the secrets that had been so carefully guarded were revealed to the students.

Nancy and Kay share the drawing board for their pencil work.

ACTIVE PROGRAM CHALLENGES STUDENTS

The Student Council presented a calendar of events . . . sparked the student body with enthusiasm . . . and set out to make this an outstanding year.

First the members voted to continue sponsoring the Korean War Orphans and during the football season they provided lively dances with new records. They also provided buses for out of town games.

The next project enlisted the help of the students in collecting canned foods to be distributed by the Department of Welfare at Thanksgiving.

Other activities included: donations to the Elks Aidmore Hospital, the annual magazine sale, going to conventions, supporting the March of Dimes Campaign.

The Student Council with its sponsors — Miss Rozelle Shurlev, Mr. William Purcell, and Mr. Harold Baskin — worked with the student body to achieve a successful year.

"A Little Worry and a Lot of Anticipation" Gives Us The Scribbler

"The Scribbler is out! Have you seen it?" These were familiar words around the campus this year. With work as the motto, the Writers' Club started the month-long cycle of selling ads, assigning articles, and rushing to complete the copy before deadline each month. But it was all for a good cause — the satisfaction and pleasure of the student body.

Guided by the able hand of the advisor, Mrs. William Cole, the staff shaped the raw material into the new improved, 1955-56 *Scribbler*, but not entirely without a little worry and a lot of anticipation. With a new face, and other modifications, the *Scribbler* was the pride of this year's staff and reporters. And so, if the *Scribbler's* period and the Writers' Club meetings became exuberant it was because the staff was trying to put into this publication twice as much satisfaction as it did in the last issue!

National Honor Society

"I pledge myself to uphold the high purposes of this society to which I have been elected, striving in every way by word and deed to make its ideals the ideals of my school and of my life." With this phrase of the National Society ritual and the four cardinal principles — character, scholarship, leadership, and service constantly in mind, the members of their organization strive to maintain and instill in others these high standards which guide them.

Membership in this society is an honor to which many aspire, but it is bestowed only to those who have worked faithfully to attain this honor. The Chairman is K. Head, the Secretary is Juanita Cochran and the faculty advisor is Mrs. Clive Folger.

Beta Clubs

Character, achievement, leadership — these are the requirements of our largest honorary organization, the Beta Club. The Junior Beta Club and the Senior Beta Club functioned as separate units and met regularly to plan projects of interest to the entire school. Throughout the year the clubs offered their services to the faculty. Both clubs sponsored the Valentine Dance which afforded a great deal of fun to the many who attended.

A spirit of cooperation was evidenced by the participation in the State Beta Club Convention which was held in Atlanta. The delegates attended meetings which offered many new ideas to them. These were eagerly accepted and carried back to the school with the hope that they would be used successfully there. Mr. Lexton Buchanan and Miss Rozelle Shirley are the sponsors for the clubs.

Dramatic Club Initiates Busy Season

The dramatic club launched this year with a challenging schedule. The group with their new director Mr. Forrest Blount, organized and began work on several plays. The club worked hard, rehearsing long hours and gaining much experience. By the end of the year this group had afforded the school a great deal of entertainment. The Eight Grade Spotlighters was a branch of this organization. Mrs. Ralph Davis was the sponsor for this group.

Art Club Finds Ceramics Exciting

Paint brushes, copper, blobs of clay . . . these are the trade marks of the Art Department. Busy hands molded the clay into attractive vases, lamps, trays, and fashioned the copper into colored pins, earrings, and cuff links. These were exhibited at an Art Bazaar in one of Decatur's department stores and the public was able to purchase them.

The paint brushes went to work when the Beaux Art Ball rolled around. Abstract mobiles hung from the ceiling created a weird atmosphere for the theme of "Tomorrow."

All of the work and projects of the Art Club have been under the supervision of Mrs. William Calder, director of the Art Department.

Plays and Movies Teach Latin Customs

The purpose of the Latin Club is to increase the knowledge and understanding of the Roman people. The club does this through plays, movies, and other activities. The club members are interested in the life and customs of the people of Rome. The club met regularly each month and had a banquet at the end of the year. Mrs. T. G. Brown and Miss Louise Cook are the advisors.

F.T.A. Members "Pinch Hit" for Teachers

The future teachers have gotten quite a bit of practical experience this year. They have acted as substitutes for teachers who had to be away from class. This part of their program is to give them a chance to see how a teacher works and to get a feel for the classroom. In the spring a banquet was given for the members. Mrs. John Johnson and Mrs. Paul Keene are the faculty advisors.

The F.H.A. has their project this year. They are helping a needy family at Thanksgiving and Christmas. The members brought food and clothing to take to the family.

As a money making project the club members baked cakes and pastries to sell to faculty members. A lovely banquet was given this year.

The advisor for the club is Mrs. Olive Folger.

The Y Teens club had a most active year under the direction of Miss Gwen Miles, advisor. The Y Teens cooperated with the Student Council in the yearly clean up campaign. They went on a field trip to the Kraft Cheese plant, and Adolphe, a local hair stylist, visited a club meeting, and gave the girls some beauty tips. More recently the girls sponsored their annual potato chip sale, reaching the highest total sales ever reached.

Students Earn While They Learn

The D.C.T. Club is a part of the District Commercial Training League. It is a program of service for students in those who wish to perfect themselves and also enables a student to earn while he learns.

All D.C.T. students are eligible for membership in the club. The purpose of the club is to promote better relations between employer and employee and to aid among the students. The highlight of the year was the Annual Convention of the Georgia Federation of D.C.T. Clubs at St. Simons Island. It is under the supervision of Mr. John Varner.

The Band Marches Through Another Successful Season

Pep was added to the football season again this year with the performances of the band in the stands, on parades, and during the half time shows on the field. Mrs. Cottie Clark, capable director of instrumental music, was honored at the Homecoming Game when she was presented a lovely gift in appreciation for her work with the band.

The Orchestra was not idle during football season for they were busy preparing for the Operetta. Miss Georgette Clark, a professional musician and daughter of the director, ably assisted them in this program. The orchestra also performed on such occasions

as the Home Economics Fashion Show, May Night, and Graduation. A representative number from this group entered the State Music Festival. The String Quartet returned with a superior rating, as did six individual performers. Seven members played in the All State Orchestra for G.E.A. under the direction of Henry Sopkin.

For the first time Mrs. Clark presented all of the instrumental groups in assembly. She has worked hard with the beginner's band and orchestra in preparation for the future.

Choral Department Presents Operetta for the First Time

Mrs. Dale Clark, Director

From the beginning of the year to Christmas a tinge of excitement hovered over the Choral Department . . . for they were going to present, for the first time, an operetta — *Babes in Toyland*. The Mixed Chorus and Glee Club, combined their forces in one of the most enjoyable programs ever presented at Decatur High. The story was a colorful, fast moving one which centered around Mother Hubbard, her many children, and a cruel old man who was after their fortune. However, all ended well, and the entire performance was superb.

During the remainder of the year the Choral Department excelled in many other endeavors. In the Music Festival they earned seven superiors and six excellents. They sang for the Miss Dekalb County Beauty Pageant for the G.E.A. as well as for numerous programs in assemblies and around Decatur.

The Choral Department is under the capable direction of Mrs. Dale Clark, well known for her work in the field of Choral music. Mrs. Clark and her Civic Chorus have been invited to Wales to sing.

The Mixed Chorus and Glee Club generally function as separate units. Accompanist for the Mixed Chorus is Loye Greenaway who has served this group so willingly and well. Nancy Matthews, accompanist for the Glee Club has rendered a valuable service.

A lovely program was presented on April 13, when they gave their Spring Festival. The year ended with a farewell to Seniors at Baccarat.

Team Spirit High Despite 3-7 Record

There probably has never been a team with more spirit and determination than this year's team. Due to the fact that the team lost 19 lettermen, the Bulldogs started the season as a young and inexperienced team. As a result of the fine coaching staff, under the direction of Head Coach Frank Jones, the team accomplished many difficult tasks. They defeated Murphy and Marietta at the beginning of the season. Later, they held the Russell Wildcats who were considered one of the top teams in the state, to a score of 6-7, also they prevented Rossville, another fine team in the state, from scoring in the first half. This team will be remembered as one of Decatur's hardest fighting teams.

Cheerleaders Keep Teams in High Spirits

At times, when the spirit of the student body was at a low ebb, the cheerleaders were there to "pep it up" again. Throughout the year they did a splendid job of supporting the teams no matter how many miles away they had to travel. They sacrificed much of their time to practice after school. Their big annual project was sponsoring the election of Mr. Football. The money they received from this project was used for transportation to and from the major out of town games.

B-Team Boys Have Successful Season

This year was one of the best years for the B-team football. Although they had only a mediocre record, the boys continued to improve throughout the season. The boys always played hard and never gave up even as the last play was executed. At the end of the season they had a 4-4 record. Their best game was played against Griffin when our team defeated the Griffnites 26 to 20 in a thrilling game. The team was coached by Butch Lee and Major Tallent.

Cheerleaders Encourage B-Team

The B team cheerleaders did a fine job spurring our B-Team on to a more successful year. The girls added spirit and excitement to the games.

They spent a great deal of time in afternoon practice sessions and also much time making posters and tags advertising the games. With such vivacious girls as these cheering them on, it is little wonder that the team works so hard.

Bulldogs Have Finest Season Yet

Competition in basketball was extremely keen in Region 4AA this year. Decatur posted an excellent record of 11 wins and 1 loss. A great deal of credit for this success goes to the players, but a great deal of credit is also due to Coach C. H. Hall. The Bulldogs finished the season with a 10-1 record. In the region tournament the team defeated Cedartown 55-50 and in the semi-finals defeated Dalton 60-60. We lost in the finals to Russell by four points. This ended one of the most exciting seasons for the team.

B-Team Has Prosperous Season

The B team has a schedule much like that of the varsity team. Under the able coaching of Coach Morrow the boys were keen competition for such B-teams as Rome, Marist, and Griffin. Through these games and they learned the value of team work.

Girls Take High Honors at State and Region Tournaments

Perfection was a major factor in the successful season of the girls' basketball team. Under the supervision of Coach Wayne Renegar, the girls maintained a perfect winning record. Finishing the season with a 15-5 record, the girls entered the region tournament with high hopes. When the tournament was over, the result of the team coordination was displayed. They emerged a region champion with the next obstacle being the state tournament. This too was entered with great expectation. After defeating Richmond Academy and R. E. Lee, they entered the finals with Northside as their opponent. Although they lost to Northside by only one point, it was the finest game they had ever played. The team will surely be remembered as one of Decatur's greatest.

Hard Hitters Maintain Good Season

Decatur has always had a good baseball team, and this year was no exception. Although the team was a comparatively young and inexperienced team, they showed themselves to be great competitors. Region AA contains some of the toughest teams in the state, and the Bulldogs played hard and scored often. Coached by Frank Jones and Bill Powell, the team improved every game. At the end of the season, Decatur had one of the finest teams in the region.

Physical Education at Decatur

The physical education program at Decatur is one of the finest programs carried on at the school for all the students. Girls can participate in this program throughout their high school career. However, the course is only offered to boys in the eighth and ninth grades. The girls are under the direction of Miss Ann Bouter, and the boys are directed by Coaches Frank Jones and Clyde Earhardt.

Fleet Boys Capture Honors

One of the main Springtime sports at Decatur is track. The track team is composed of fast boys who are skilled in the different phases of the sport, such as: shot put, javelin, high jump, and discus. Coach Clyde Farhardt and Coach Garvin Miller direct the boys through their paces. At the end of the season they were ranked among the top teams in the region.

Net Men Have a Good Season

The boys tennis team, under the direction of Mr. Bill Purcell, turned out some excellent players this year. In addition to the boys who returned from last year, there were many new faces on the team. Despite the overall lack of experience, the team completed a very successful season.

Girls Maintain High Ranking in Tennis

The Decatur High Girls tennis team was composed of extremely good players. Due to the lack of depth in the team, they were unable to gain enough points to win as a team. However, the girls who played did an excellent job in representing Decatur.

Military Training Prepares

The course given by the Reserve Officers Training Corps teaches the cadet many things he will need to know later, whether it be in civilian or military life. One of the most important things that is taught is military discipline. For those who work hard and do their best, promotions in rank are forthcoming.

In addition to military discipline and courtesy the cadet learns a basic working knowledge of several weapons, including the

M-1 rifle, M-1 carbine the light machine gun, the 45 caliber pistol and others.

Learning group cooperation is another lesson taught the cadet. The incentive to make the group better, rather than concentrating on the individual, is an important trait which will make later life easier and more enjoyable.
